■ MODULIGHTOR Crew 2013

Here we had cause to take a group photo - the first I ever remember us taking. We've missed our dear house mother, Eva, who is away on sick leave for awhile. And we have a few part-timers and seasonal workers not pictured. Otherwise we're all here:

Back Row: me - Julien Aleksandres, Tim Clarke, Mark Medoff, Simone Meeks, Nathan Cavanna, Daniel Rubens, Quang Hong

Front Row: Heidi Weiseshahn (with Nacho), Cornelia Jensen, + Ernst Wagner

Photogenic as he is, our friendly rabbit was on the other side of the camera.
